

# Directions to Dandelion House

## Driving:

Putting our address into GPS will not work, as there is no access from Linden Lane. INSTEAD...

- Set your GPS to Oak Grove Elementary School on Torbank Road
- Drive past the school and the “Dead End” sign
- At the Stop sign, carefully cross the walk/bike trail to the driveway just on the other side
- Take the driveway 50 yards to the left until it dead ends at Dandelion House!

\*Limited parking on site. For large gatherings, please consider parking on Torbank Road if you are able.

## Pubic Transit:

- Take the Orange MAX line South to the last stop, “SE Park Ave” in Milwaukie
- Exit the station and walk 50 feet to your right to the intersection
- Diagonally cross the intersection so that you are crossing both Park Avenue and 27th Ave.
- Walk along the “Trolley Trail,” a walk/bike path that picks up just across the intersection. GO SOUTH about 6 minutes.
- Dandelion House in on the left just before Torbank Road. You’ll see a large lot with young cherry trees along the fence and a mature pear tree in the middle of the yard, plus a green house and garage set back. If you hit Torbank, you’ve gone too far, so take the driveway on your left and backtrack to Dandelion House.
